## Boy Scout Troop 743

Harbor City Boy Scout Troop 743 played the role of hobos last Saturday as they participated in the Knights of the Road field day at Alondra Park.

This was a one-day fall camporee with troops from the Harbor District competing in various events such as compass reading, water rescue, nature, and cooking.

The Flaming Arrow patrol, with Doug Blum Jr. as patrol leader, took highest honors in the troop and were rated as Kings. They received a blue ribbon to be attached to the patrol flag. Other members are Larry Blum, Eddie and Jimmy Alexander, and Bill Barton.

THE EAGLE patrol, comprised of Kenneth Dalton Jr.,

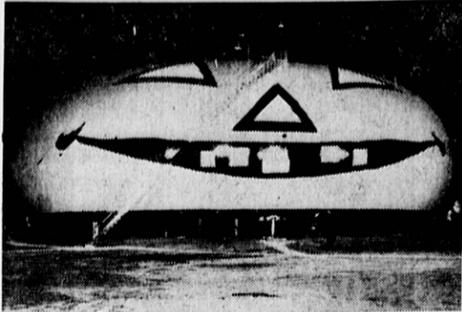

Ronnie and Jerry Murakami, and Don Graham, placed second and were given a rating of Knights.

The Panther patrol, which includes Walter Mead, Larry Barton, Mike Thurber, John Dalton, and Mike Mason, received a third place rating as Hobos.

EACH SCOUT, dressed in his best hobo costume, participated in the parade. Several parents were guests of the troop for the evening meal at which time the Scouts were judged on their ability to prepare Mulligan stew.

Eddie Alexander performed as an Indian dancer in the Order of the Arrow campfire ceremony in the evening.

TROOP 743 is sponsored by the Harbor City Chamber of Commerce.

**READY TOMORROW . . .** The world's biggest jack-o-lantern will be ready to join the Halloween parade tomorrow when crews of the Union Oil Co. are scheduled to complete the paint job converting this 80,000-barrel natural gasoline storage vessel into the grinning pumpkin. The giant pumpkin—with eyes 18 feet tall—can be seen from the Harbor Freeway and Pacific Coast Hwy. near Union's Wilmington refinery.

## Red Cross Opens Campaign to Aid Typhoon Victims

A one-week blanket collection campaign for victims of last month's tragic typhoons in Japan was launched Tuesday by the Red Cross.

The county-wide campaign follows a \$50,000 gift by the American National Red Cross immediately after Typhoon Vera struck just a few weeks ago, according to J. Earle Jardine, Jr., Los Angeles Chapter chairman.

"Hundreds of thousands of men, women and children were left without food, shelter and clothing by the worst storm in Japan's history," said Jardine. "With the cold weather approaching, countless Japanese face the prospect of illness and death because they lack the means to keep warm."

The chairman said the Red Cross is seeking new or used clean blankets, of any size or color. He cautioned that they must be whole blankets, without rips or holes or ragged edges, and that substitute coverings such as quilts and comforters cannot be accepted.

Jardine said that in the southern Los Angeles County area blankets may be delivered to the San Pedro Red Cross headquarters, 390 W. 7th St. Collection centers will be open from 9 a.m. to 9 p.m., includ-

ing Saturday and Sunday, through Oct. 28.

He added that similar campaigns are being conducted by Red Cross in San Francisco, Portland, and Seattle. Blankets will be forwarded to the Oakland Army Air Base where they will be bundled and shipped to Japan via Army transport.

## ZIPPER START

Zippers have been manufactured commercially since 1913.

## Southern Sighs

By Carolyn Waddingham  
South High School

For months the Girls League Cabinet has been planning an aud-cast which will take place today in the South High School gym. The "Panel for Americans" is made up of girls from UCLA which represent different races and creeds.

The girls from South High have been looking forward to this event for a long time and those who have seen it in the past have been inspired and impressed by it.

TOMORROW NIGHT is our much publicized varsity football game with Torrance High. About 90 per cent of the excited Spartan student body is

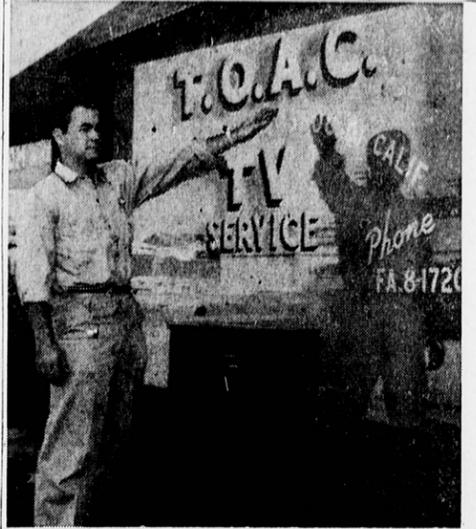

expected to show up at the Torrance Stadium with more spirit than has possibly ever been shown on a sports event.

SATURDAY morning members of the Senior and Junior classes will gather in the gym to take the Scholarship Preliminary test. For the Juniors this is the first test of this kind, being the third time around for the Seniors.

Senior English classes have been working "fanatically" in preparation for the test in hopes of even better scores than before. Of the National Merit Test twenty-six South High Seniors were in the top ten per cent of the nation.

THE ANNUAL staff started their Pre-Annual Sale last Monday and will continue it for another week.

A preview of the Annual shows a good buy for the \$3.50 or even better yet \$3 with an ASB card.

NEW BUSINESS . . . Troy Banks Jr. looks at his window sign at 1112 Crenshaw where he operates Television Owners Assn. of California. T.O.A.C. offers its members a discount of 40 per cent on parts and 50 per cent on labor on all repairs. All over three tubes installed are free and service calls are at regular prices. The membership fee is 12.50 per year and work is guaranteed for 90 days.

## The Old Timer

"The average girl would rather have beauty than brains because the average man can see better than he can think."

### SAVE YOUR VISION

If You Care . . . ABOUT YOUR EYES

We Offer . . .

- EASY WEEKLY OR MONTHLY BUDGET TERMS
- A SPECIAL PLAN FOR CHILDREN
- Children's eye examinations and glasses under our yearly care program—broken lenses and frames replaced at no extra charge
